

Synopsis

Afghanistan Engineering District (AED) Multiple Award Task Order Contract (MATOC) for Afghanistan – W917PM-09-R-0112

7 August 2009

The U.S. Army Corps of Engineers, Afghanistan District intends to issue a Request for Proposal (RFP) to award a Firm-Fixed Price, Indefinite Delivery Indefinite Quantity (IDIQ) Multiple Award Task Order Contract (MATOC) to provide real property repair and maintenance, environmental work, force protection work, and construction services throughout Afghanistan. Use of the MATOC will provide the Government with a construction product delivery method that can accommodate quick and straight-forward projects, as well as some small but complex projects, and can help minimize design effort and related overhead expenditures, as well as handle compressed schedules.

Two (2) or more contracts will be awarded as a result of this solicitation. The resulting contracts shall be for three (3) years, one base year with two (2) one year options. The Government will evaluate and select, for contract award, two or more qualified Offeror(s), whose Proposal(s) are determined to be the best value to the Government, with consideration given to both the technical evaluation factors and price. Task Orders issued under the MATOC contracts will primarily address new construction, design-build, demining, site assessments, general building renovation, road and pavement repair, and general environmental work including, but not limited to, incidental minor construction, excavation, plumbing, demolition, electrical, structural, mechanical, concrete work, and environmental remedial work. Contract awards are anticipated for any work for US Forces and/or facilities throughout Afghanistan. The total contract capacity of the MATOCs will be \$240,000,000 over the life of the contracts.

The award for this procurement will be made in accordance with the applicable Federal Acquisition Regulations. The applicable NAICS code is 238990. The magnitude of this requirement is between \$25,000,000.00 and \$100,000,000.00. The solicitation, plans and specifications for this procurement will be issued on Army Single Face to Industry (ASFI) and Federal Business Opportunities (FEDBIZOPPS):

The point of contact for this procurement is Ms. Ellis-Smith, Contracting Specialist, or Ms. McCarthy, Contracting Officer. U.S. Army Corps of Engineers, Afghanistan District, CEAED-CT, Kabul, Afghanistan, APO AE 09356. You may reach Ms. Ellis-Smith at 540-722-4610 or via email at sheri.l.ellis-smith@usace.army.mil and Ms. McCarthy at 540-723-4862 or via email at teresa.f.mccarthy@usace.army.mil. The media selection for this issuance of the solicitation and amendments shall solely be at the discretion of the Government. Accordingly, the media utilized for this project is the Internet. No paper copies will be made available. Interested parties may download and print the solicitation at no charge at www.aed.usace.army.mil. Offerors are asked to submit their expression of interest on or before 29 August 2009, to the point of contact via email.

Requirements: DFAR 252.204-7004 Required Central Contract Registration (CCR) applies to this procurement. Prospective contractors must be registered in the Department of Defense CCR database prior to award. Information on CCR registration and annual confirmation requirements may be obtained by calling 1-888-227-2423 or via the internet at <http://www.ccr.gov>.

NOTICE TO OFFERORS: THE GOVERNMENT RESERVES THE RIGHT TO CANCEL THIS SOLICITATION, EITHER BEFORE OR AFTER PROPOSAL OPENING WITH NO OBLIGATION TO THE OFFEROR BY THE GOVERNMENT.
